 doing.

THE TIMES OF YOUR LIFE

Good morning yesterday, you wake up and time has slipped away, and suddenly it's hard to find the memories you left behind, remember, do you remember?

The laughter and the tears, the shadows of misty yesteryears, the good times and the bad remain and all the others in between, remember, do you remember, the times of your life?

Each laugh with the joy and the sorrow, puts them away in your mind, for memories are times that you borrow, to save till you get to tomorrow.

Here comes the saddened song, the seasons are passing one by one, so gather moments while you may, collect the dreams you dream today, remember, do you remember, the times of your life?

There are several schools and churches which are feeders to Bishop Foley. Among the many are Guardian Angels, St. Mary Magdalen, St. Dennis, St. Vincent Ferrer, St. Cletus, and St. Louise.

They send to us their students, as well as their support and add to the ever-growing faith community established here at Foley

The Mom's and Dad's Clubs are involved in many of the activities here at Foley

The Mom's club, hard at work in the library, provide funds through various events. They also hold Bingo on Sunday evenings.

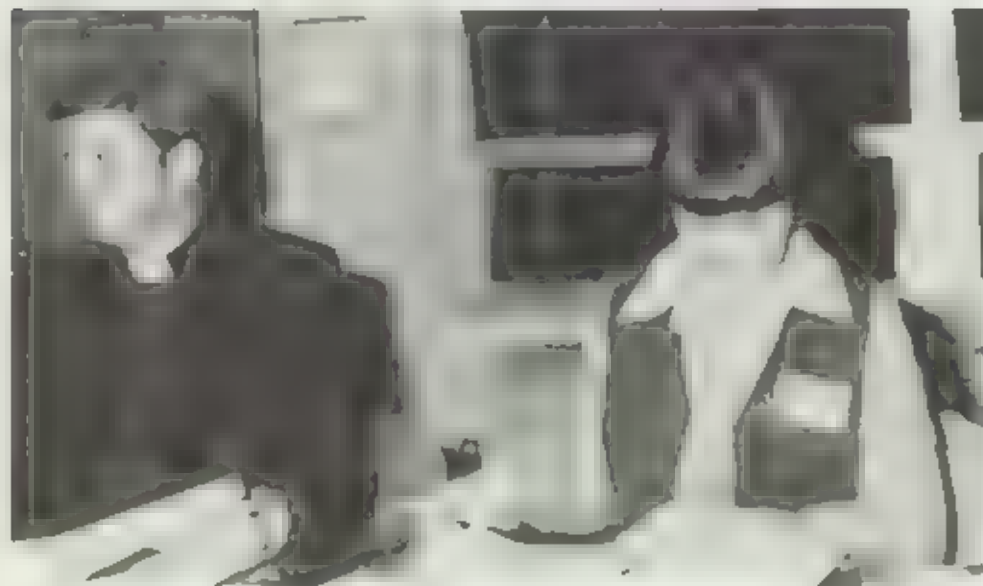

One can find the Dad's club working the concession stand at the various sports games. They, too, sponsor Bingo.

What would we do, and where would we be without our Mom's and Dad's Clubs?

What would we do without the people we call the Personnel? They take care of the money, answer our questions, make sure we ride the busses, and in general care about us and our needs.

What is Personnel? It's the

people in the Transportation Department, the Business Office, the janitor, the librarian, and of course, the Variety Vendors lady. These are the people who do all the little things for us. And those little things are so all important

As Mrs. Kennedy once put it "... you have to be a little bit crazy." And our librarian so aptly sums it all up — "my job is like that of any other teacher, eliminate one and the picture is incomplete." That's our Personnel.

The counselors and teachers of Foley play a most vital role in the scheme of things. They make us learn about History, Algebra . . . and ourselves. They demand excellence, and expect to get it. They want the best for us, despite what it seems to be

In the Guidance Office, Sr. Odilla is

always illing to help out. And with our very capable counselors, Sr Karen, Mr. Hearn, and Fr. Pouget, everything runs smoothly in the lives of Folevites

Our faculty keeps "Academia" alive by enriching our vocabulary and our lives with knowledge — of pythago

rean theorems and digestive systems, General Business and Health

All in all, the teachers and counselors provide everything we could ask for. The opportunity to learn and the opportunity to get help — when you need it

Miss Danosky guided their tal-

to their mistakes. Many beauti-
ful projects are the result of

long hours and much effort at
achieving the desired effect

Starting in Freshman year the
students can take Art 1-2. After
this, they have a choice of
ceramics, sculpture, drawing
and painting, graphics, and "3

advanced art have painted
walls in Foley's hallways and

from the variety of History classes offered at Foley, the students learn the effect that past events have on Today and Tomorrow.

The Freshmen begin by studying World History. The Juniors take U.S. History and the Seniors are offered a choice of

classes such as Michigan History, American Government, Behavioral Science, Current Problems, and Economics. All Seniors are required to volunteer to work on a political campaign for credit in their government class. This experience leads them to a better under-

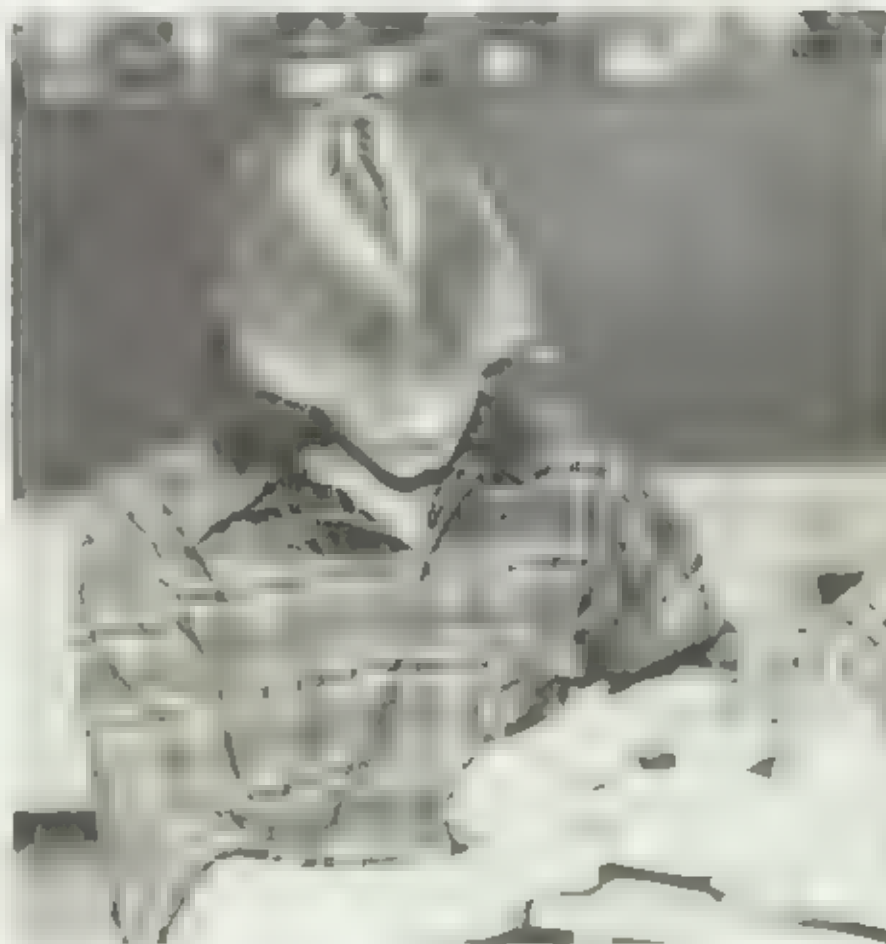

standing of the politics in our society today

As said by Mr. Valinski, the head of the History Department, "History will die if not irritated. The only service I can perform for my students is to serve as a flea"

Verbs, nouns, prepositions, adjectives, gerunds . . . are all words the students recognize as terms in grammar — an inseparable part of English. But English does not consist of only grammar

The students are learning that great authors are a very impor-

tant part of our English background

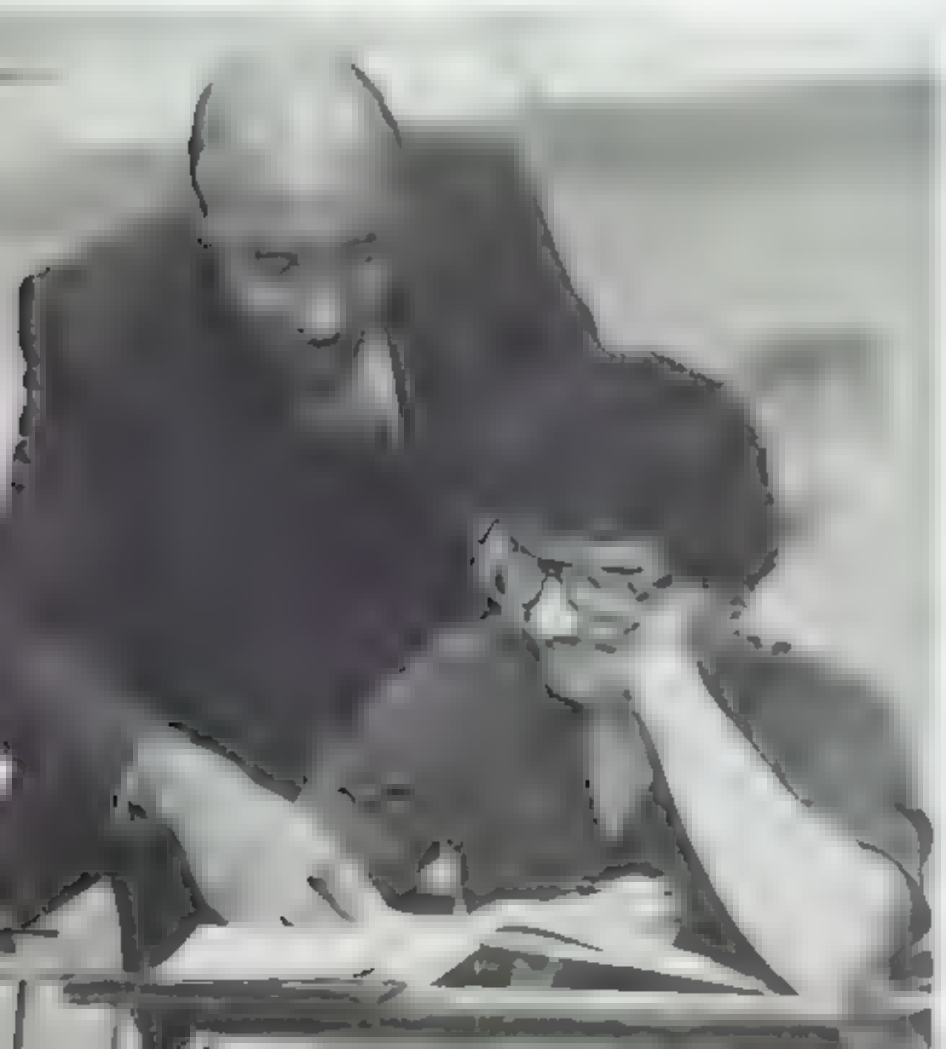

What would happen to the world if there was not a Charles Dickens or a William Shakespeare?

Under the new chairperson, Sr Bernie Lopata, the English

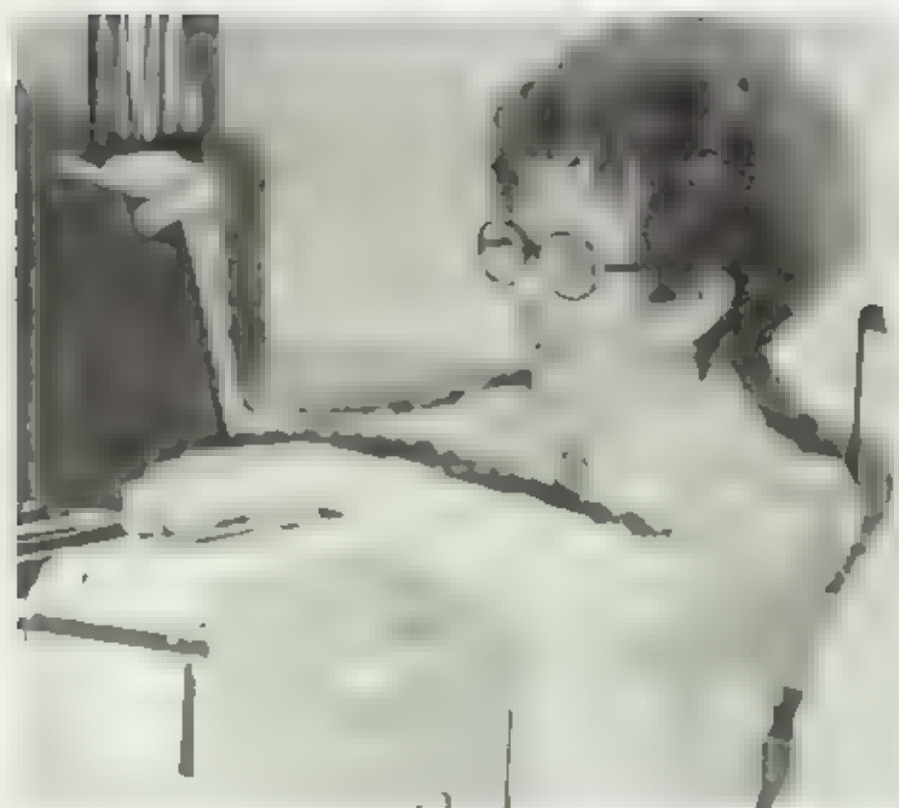

Department is striving to instill a creative and enthusiastic attitude in all classes

"The more involved a student becomes in discussing Literature, the more likely he is to realize that Literature is about him," says Miss Paul

Mr. Maiuri preaches to Deb Pineau.

"Unless you love someone, nothing makes sense," says Fr. Mike. This explains the concept behind Foley's religion program. Throughout the four year program, students learn about loving each other. Underclassmen study the bible so that they may come to an understanding of how our reli-

gion used to be, thus being able to relate with our religion today. Sophs learn about religion through their community by the successful Religion Out program. Juniors question the puzzling dilemmas of morality. What is right? What isn't? Lastly, the seniors try to prepare for their future by taking

classes such as Child Development and Marriage. Under the heading of Mrs. Paonessa, the religion program tries to make the students really see the world around them through the eyes of God. With love and faith combined, the religion department hopes to make a better person

Mrs. Arriola wondering if she will make it through the day. 7. Sr. Pat with Linda Sirkoski and Jern Van Nest. 8. Mrs. Hennesy and Ken Stepowski in French.

The Foley Language Department is increasing each year. This year, 60% of all Freshmen have taken a language, whether it is French, Latin, or Spanish.

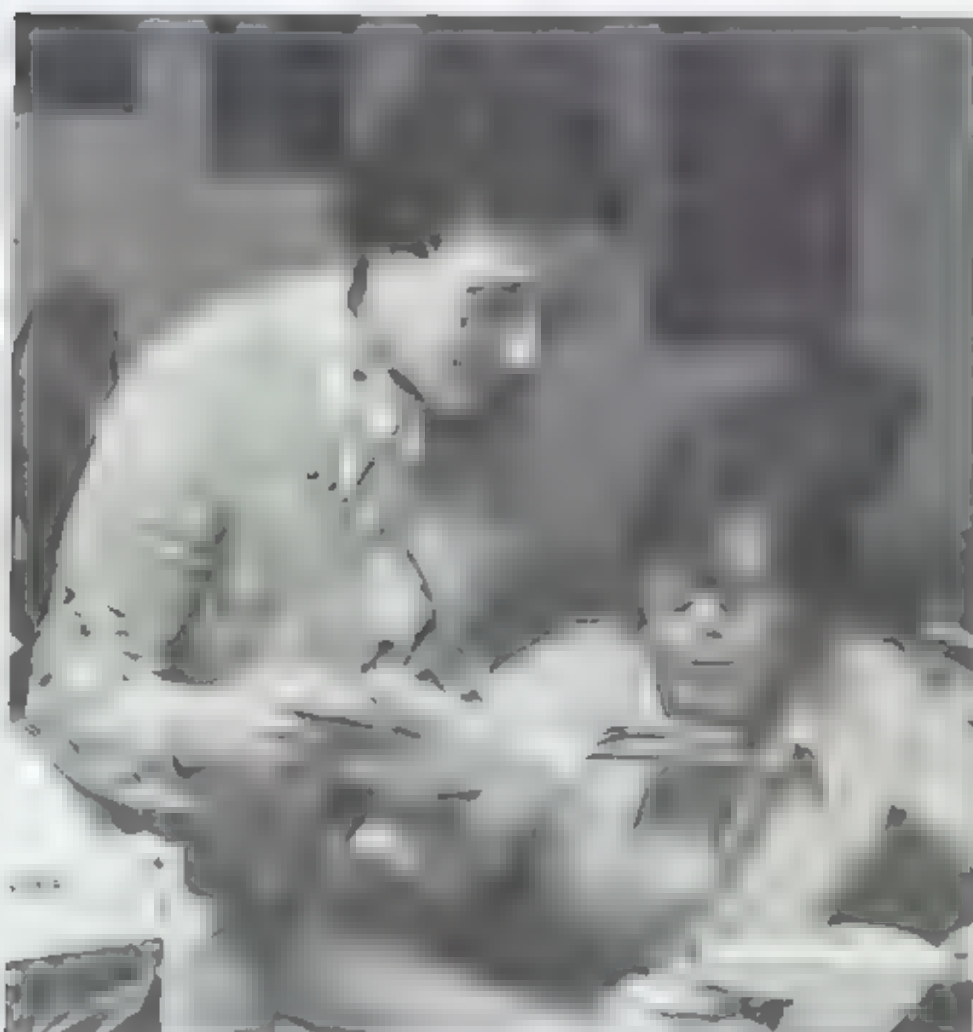

The teachers say the reason for success is most students have realized the advantage of

knowing another language for later goals in life.

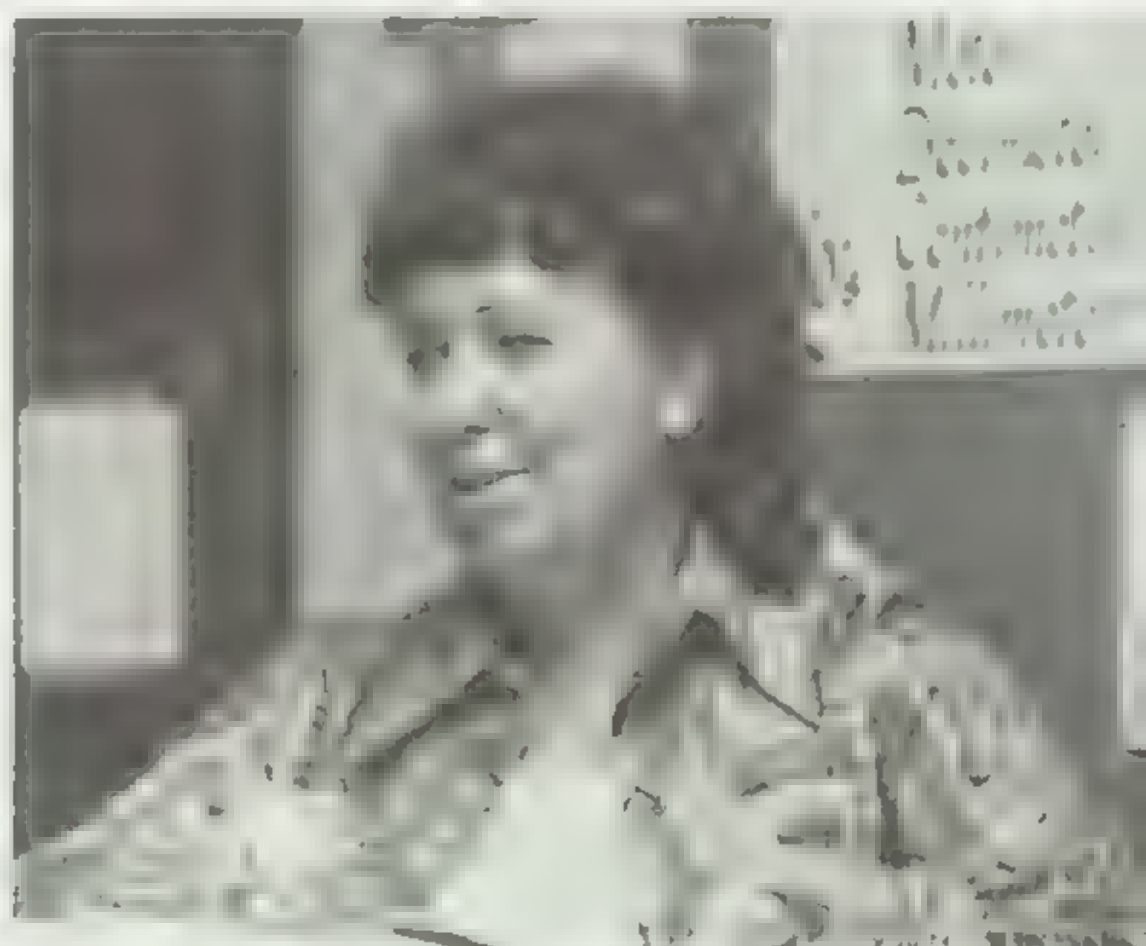

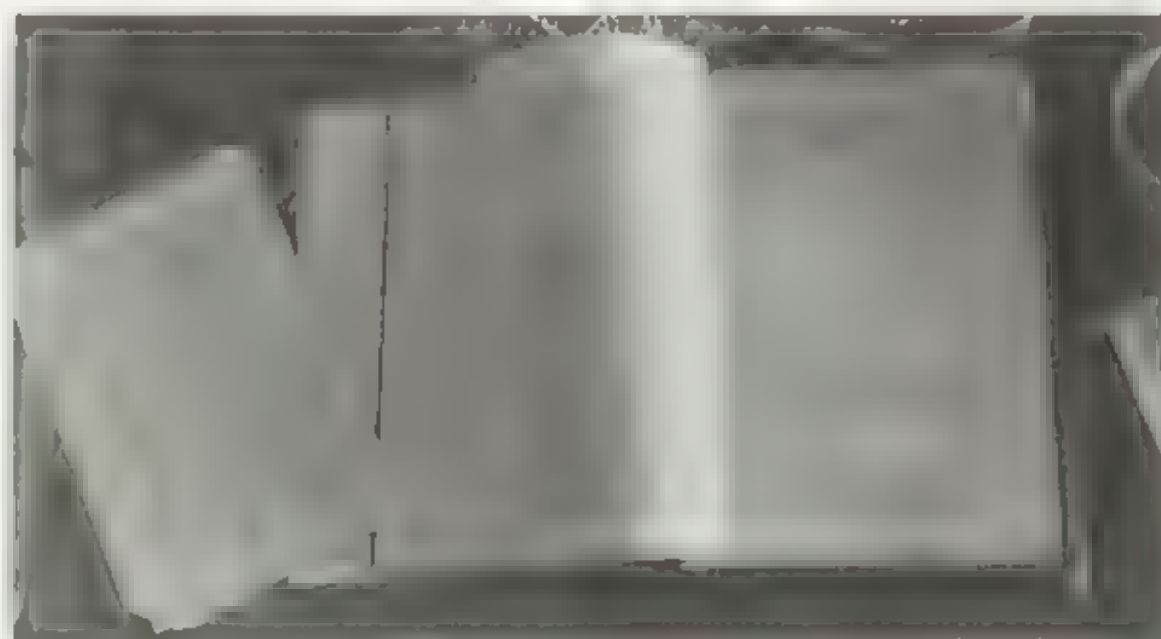

Much of this success is given to the great teachers: Sr. Pat and Sr. Rose with Latin, Mrs. Arriola with Spanish and Ms. Hennesy and Miss Paul with French.

Our teachers believe there is a great satisfaction of conversing in a different language or understanding references in a different culture. "Knowing another language is hard work, the mark of a well-educated person, and sometimes just plain fun," says Mrs. Arriola.

Through Foley's Science department the students inquire into life processes and the continuity of life, said Mrs. Oklowski. The department combined Freshmen through Seniors and offered physical science, biology, chemistry, physics and advanced courses. The students learned to explore further into the

unknown and develop theories on matter and space

Under Ms. Rama the department teaches students to use their minds to explore and not their memories crammed with notes.

Ms. Rama teaches the Freshmen physical science, which is

an elective. Mrs. Soja, Mrs. Okalski and Ms. Rama teach the Sophomores biology. Sr. Sharon, Sr. Paul and Mrs. Soja teach the Juniors and Seniors chemistry, physics, and advanced chemistry

With the many different courses offered, Foley prepares tomorrow's scientists and doctors for the future of college

This year Bishop Foley's business department is definitely expanding. Along with their usual classes of typing and shorthand, they started a secretarial procedures class. In this class they prepare the girls for the outside world of working. Sr. Pauline and Mrs. Duhig run

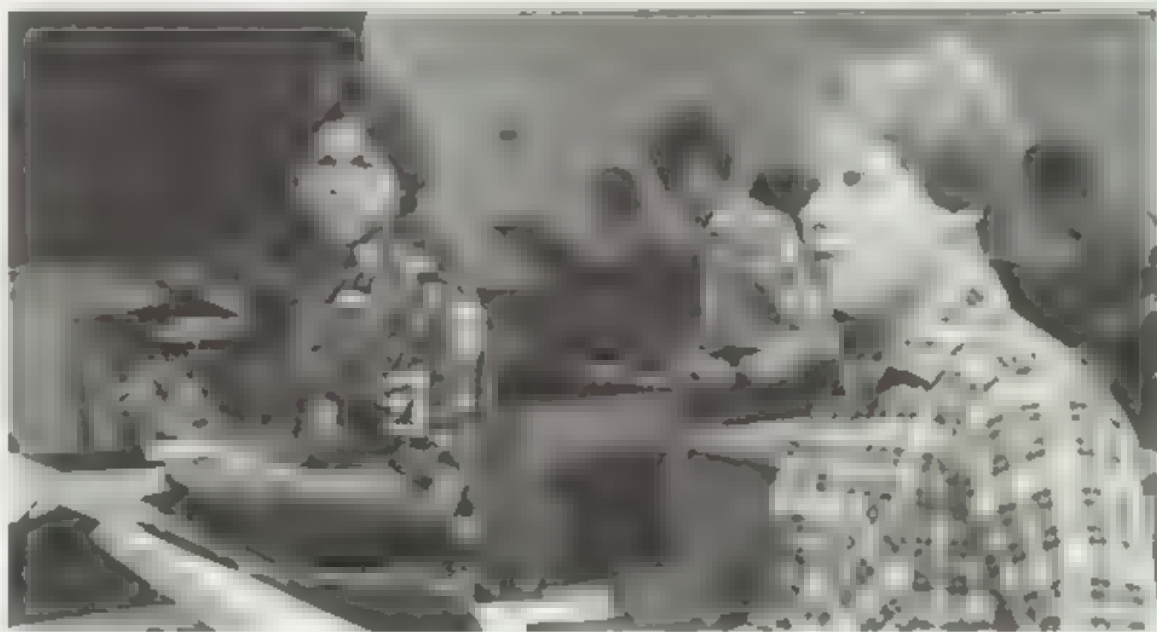

this two period class and they are doing a fine job. As the years go on they hope to get more machines for the students use. Mrs. Duhig explains the purpose of this class "Working together and helping to learn how to work together."

Mr. Stackhouse, a new member of Foley's staff, helps keep the general business classes booming. Mr. Betzler educates the Foley students in business law and accounting.

In Drafting, Mr. Moison taught the students the skills needed to be "Architects". They developed these skills through a lot of practice with drawings. Drafting is an elective, offering freshmen through Seniors the opportunity to learn a skill that

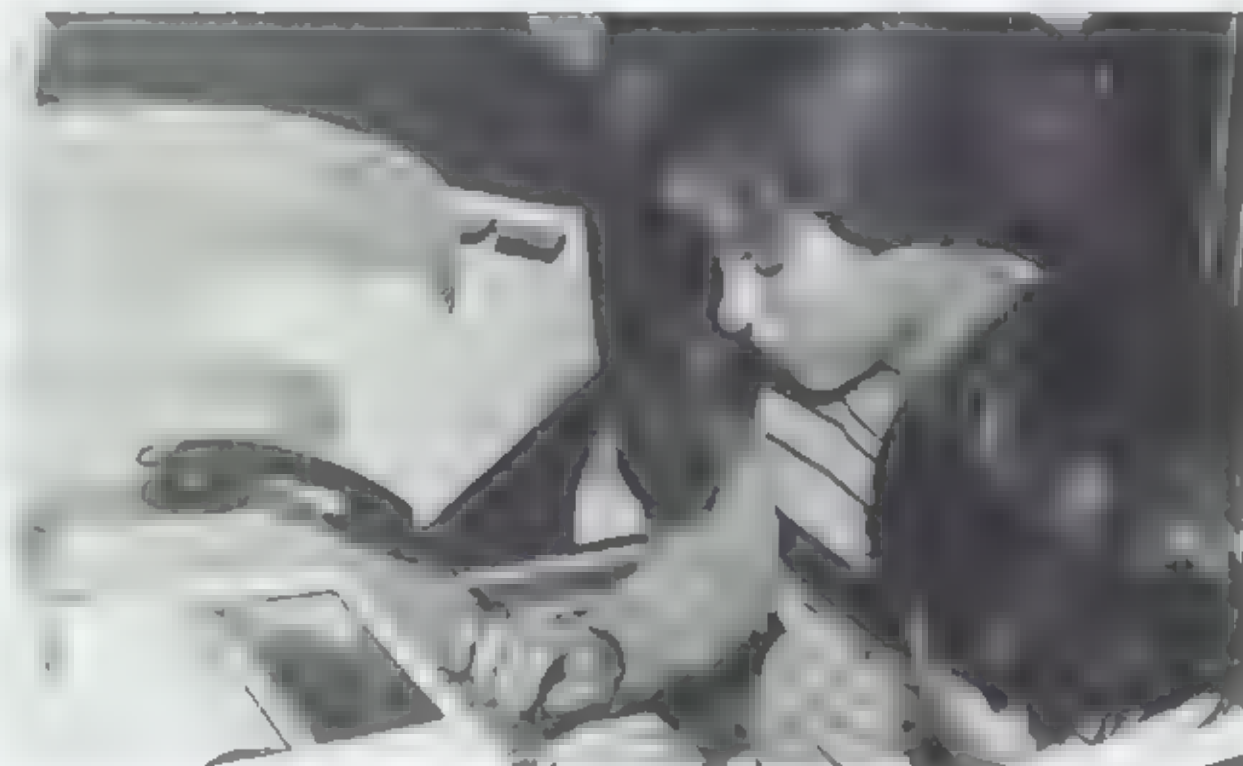

will help them in their chosen field.

In computer, the students worked with a future world, today. Mrs. DeRykere showed them how to communicate with a computer, and gain

feedback. Computer was offered to Sophomores through Seniors as a math elective.

A new "language" has developed around Foley, as the students chat with the computer.

The Yearbook and Newspaper staffs at Bishop Foley work diligently to record the events that happen in and around the school during the year.

The 1979 Reflections Yearbook was started with the help of Mr. Russell and then carried out with assistance from Mr. Clancy. The yearbook staff

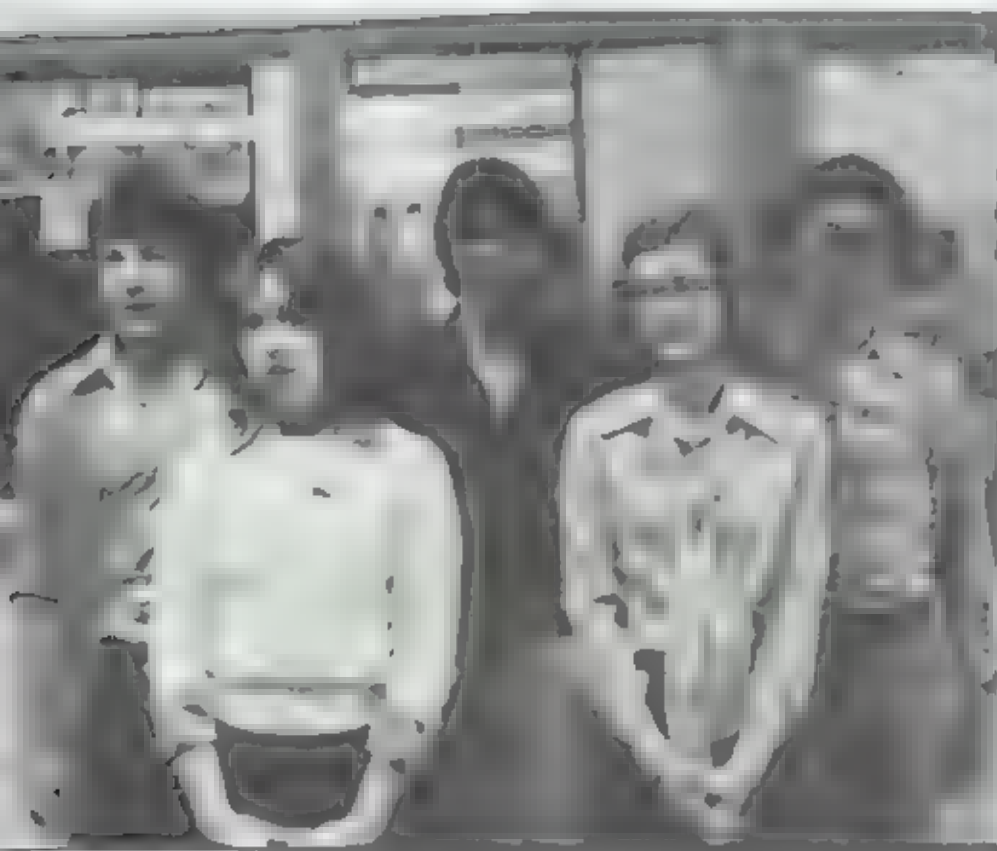

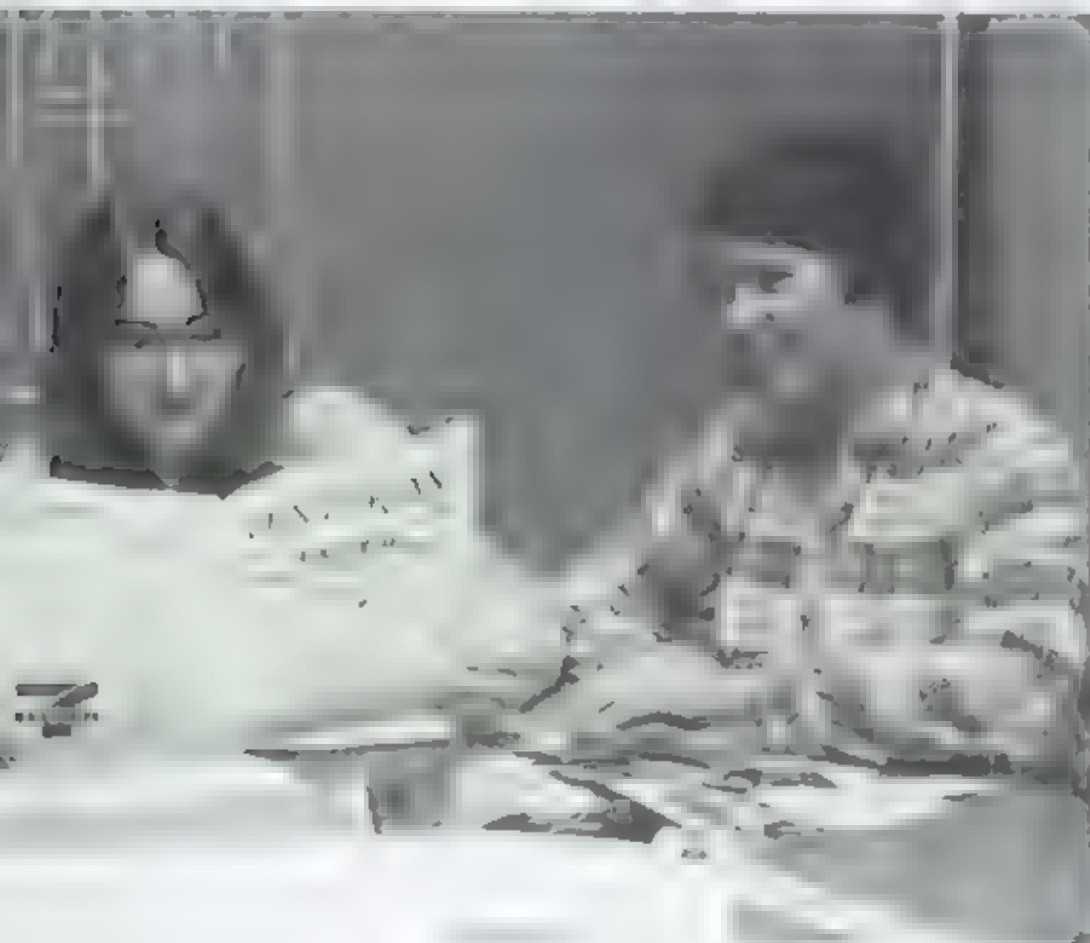

spends much time patterning layouts, cropping pictures, and selling ads to meet their deadlines so that the yearbook is published on time

The Venturian, a monthly publication, is edited by Colleen Flanagan. Sr. Peggy advises the staff in the reporting of the many activities around Foley

that are of interest to the students and faculty

At Foley, there also are students who write articles that are published in local papers. Moderated by Mrs. DeRyckre, this group does a great job at keeping the community informed on the happenings at Foley

Sit back and observe the actors and actresses of tomorrow each day they learn more and more about satisfying themselves and their audiences. Under the direction of Speech and Drama teacher, Ms. Linda Zappa, the class develops the

art of acting and speaking in front of their classes which are their audiences. Every student receives personal attention in their talents. The department offers such diversified classes as broadcasting, beginning intermediate and advanced

acting along with speech. These courses help the student develop a greater awareness of themselves as public speakers. They also become familiar with a new way of expressing their feelings through acting.

Dim the Lights, Raise the Curtain, and Watch . . .

This two year class is really beginning to take shape. This year the broadcasting class has started a morning show, WTLC. This show includes talk shows and music for the students by the students. This class also announces the days announcements. This unique way keeps the students interested

1. Diane Kowalski and Linda Cairns practicing their lines. 2. Mike Bean listens to a recording. 3. Renee Musser watches Mike Bean on television. 4. Ms. Zappa explains how to use a recorder to Cathy Schiltges and Nancy Matthews.

If a bunch of guys were living together do you think they could survive? This is the whole purpose of Foley's Bachelors living class. Sr. Delores along with Miss Thompson help these guys learn how to feed themselves and they learn the basics for sewing. Sr. Delores also teaches first and second year sewing classes.

The Physical Education classes with the help of its teachers, Mr. Wyniemko, Ms. Ramaut, Mr. Fiorini and Mr. Boulus, learn to improve their fitness and stamina. With many different activities to choose from, like co-ed baseball, floor hockey, basketball, football, golf and volleyball there is

never a dull or boring time

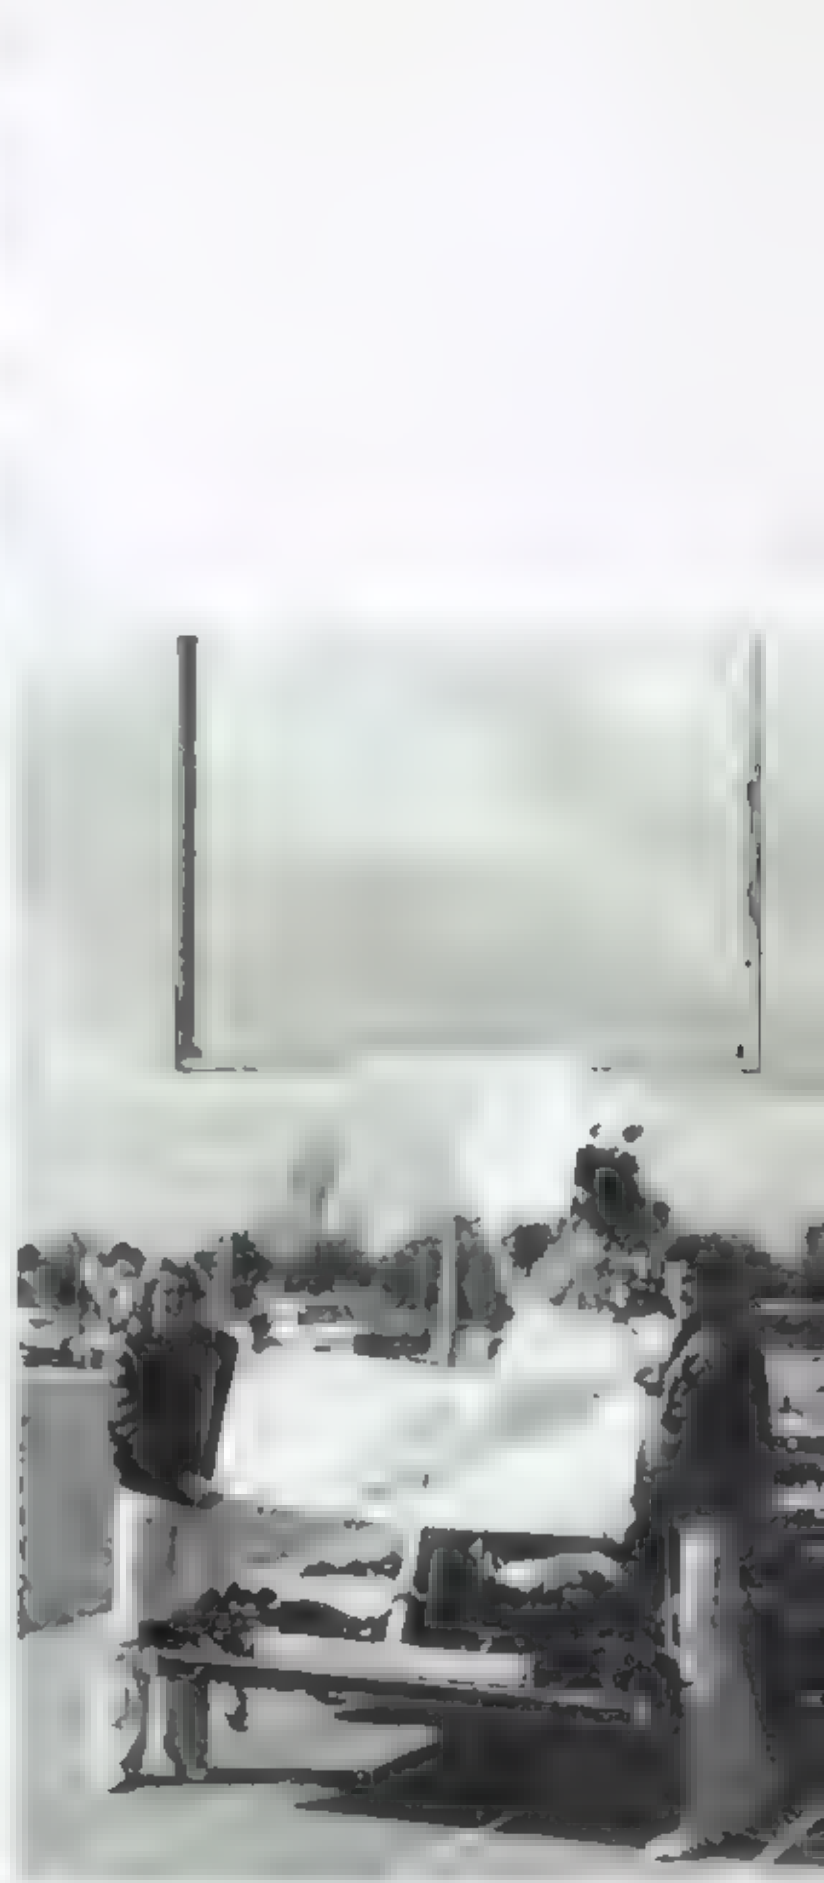

Added to the gym classes is the Freshman health classes. These are taught by the gym teachers. Another source of enjoyment is the trampoline. It provides a challenge for all of the classes. Being physically fit always helps produce a happier stu-

dent and here at Foley, with the finest of programs, who can go wrong? The teachers try to encourage participation of all of their pupils. Phys. Ed. is a time when the students may relax from the ordinary routine of classes, and sort of get away from it all.

The 1978-79 Bishop Foley Student Council is an organization set up for the students, by the students. It involves many responsibilities and requires much of the free time of its members. The end product is many fun activities for Foley students. The council organ-

izes Homecoming, sponsors a dance each month and runs it, and conducts fund-raisers such as candygrams and flower sales

The 1979 Intramural Bowling Teams are one way to get the ball rolling for spring. Teams are set up in groups of four and

each team challenges a different team each Wednesday after school. Not only are students participants, but also the famous Foley faculty. At the end of the season trophies are awarded to the players who show the best skill.

Freezing weather never stops Foley fans from supporting their team. Nevertheless it turned out to be a winning weekend for all — the guys' football team tackled Shrine and beat them 12-6; the girls' powderpuff game was won by the mighty seniors. But even so, it shows the enthusiasm

Foley has for their fellow class mates

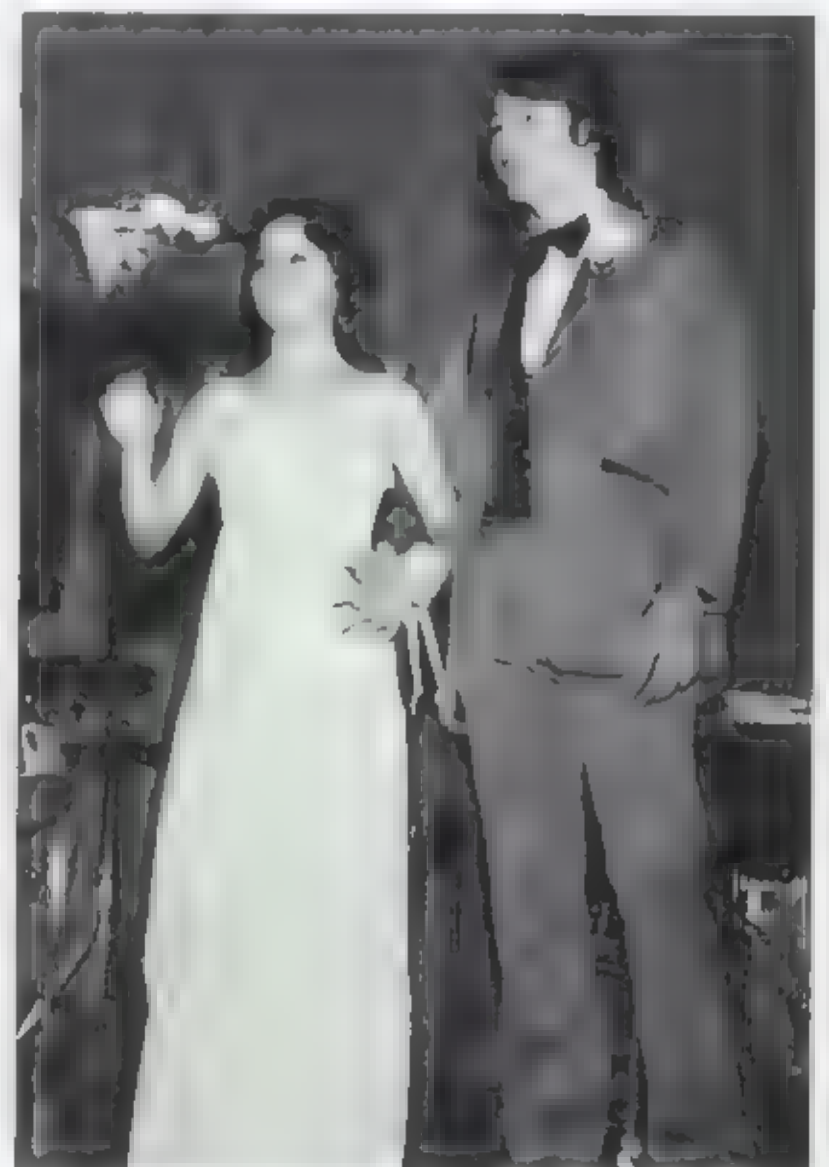

The guys had a terrific turnout on the big day and the excitement encouraged them on to work even harder for a victory

Everyone participates in the homecoming day preparations

It was also big day for the queen and her court who braved the cold and wind to brighten up the dreary day a little bit more

The plays at Foley are a production brought forth by both the cast and crew. It is in this unity that they bring so much joy to the audience and actors.

The Fall play was "A Christmas Carol". This was directed by Ms. Lark Veach and stagemanaged by Jill Benavides and

Elana Wills. Scrooge was played by Mike Wasinski.

The Spring play was "The Curious Savage". This was also directed by Ms. Lark Veach. It was stagemanaged by Mike Wasinski and Elana Wills. The characters were portrayed by Rachelle Janush as Mrs. Savage,

Dean Gaboury as Samual, Brett Scharnhorst as Titus, Mary McDaniel as Lily Belle, Gail VanFossan as Fairy May, Matt Fedorchuk as Jeff, Larry Angeli as Hannibal, Nancey Matthews as Florence, Vicki Wnetrzak as Mrs. Paddy, Chris Hayes as Miss Willy, and Bill Stender as Dr. Emmet.

At this year's winter concert, there was a variety of songs done. From traditional Christmas carols, to contemporary Beach Boys. The A capella, Varsity, Freshman choirs, and even a couple of talented soloists performed for the audience. They were all decked for winter in scarfs, mittens, and hats,

making it feel like Christmas. The choir was directed by Mr. Brandt and the band which also played a medley of songs was directed by Mr. Wallen.

The Talent Show this year was something different from years past, when it was known as a variety show. The faculty was

able to participate along with the students to make a real Foley talent show. There was a lot of hard work involved as dance routines were put together, various music performed and even comedy done to make a very successful show.

This year various speakers came in, one a medical technician. A trip to a Chicago science fair was also planned. The ski club had many enjoyable ski trips, and "Quap", a creative writing group, improved their writing talents

Bishop Foley's Football team did things that have never been done before in Foley's history. One of those was to go to summer camp. The second was to be Tri-Champions of the Double A Football League

This year's team was one game short of playing in the Silver

Dome. 1978 was also a year in which Foley showed a very productive offensive attack. The running attack was balanced by a potent passing game

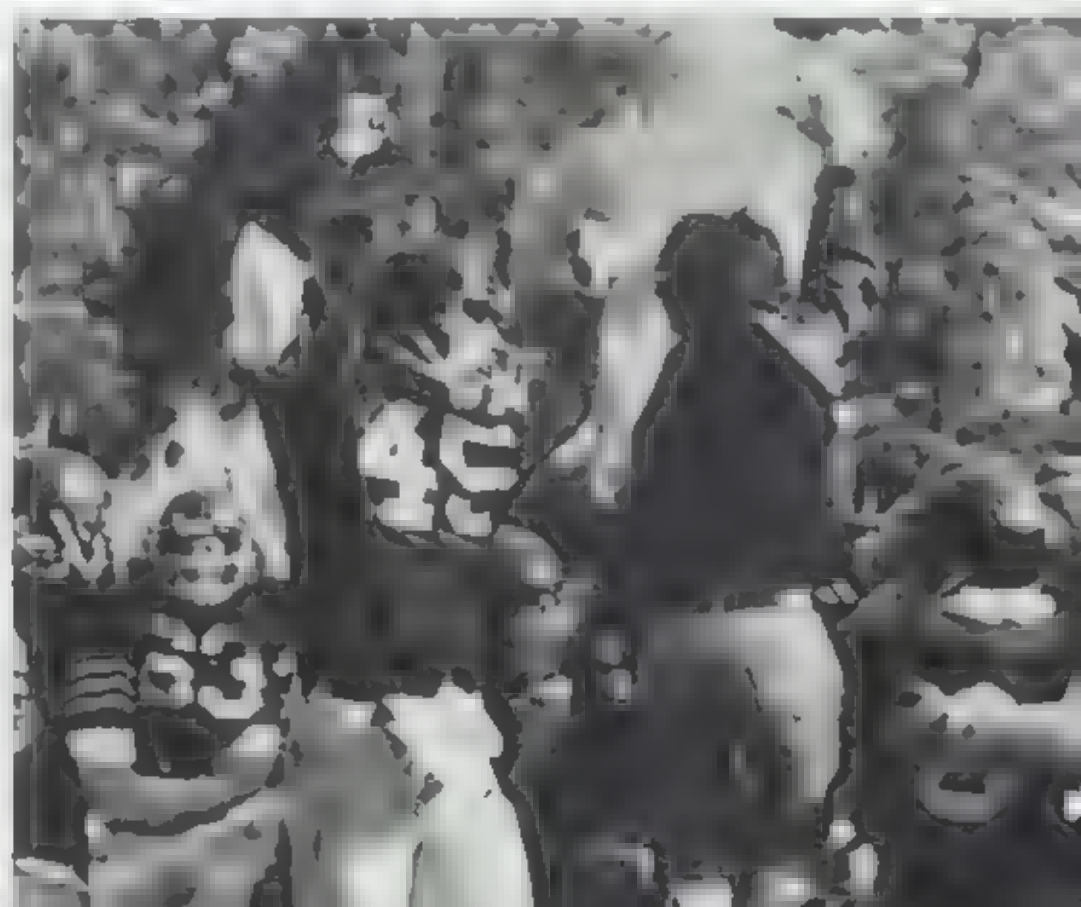

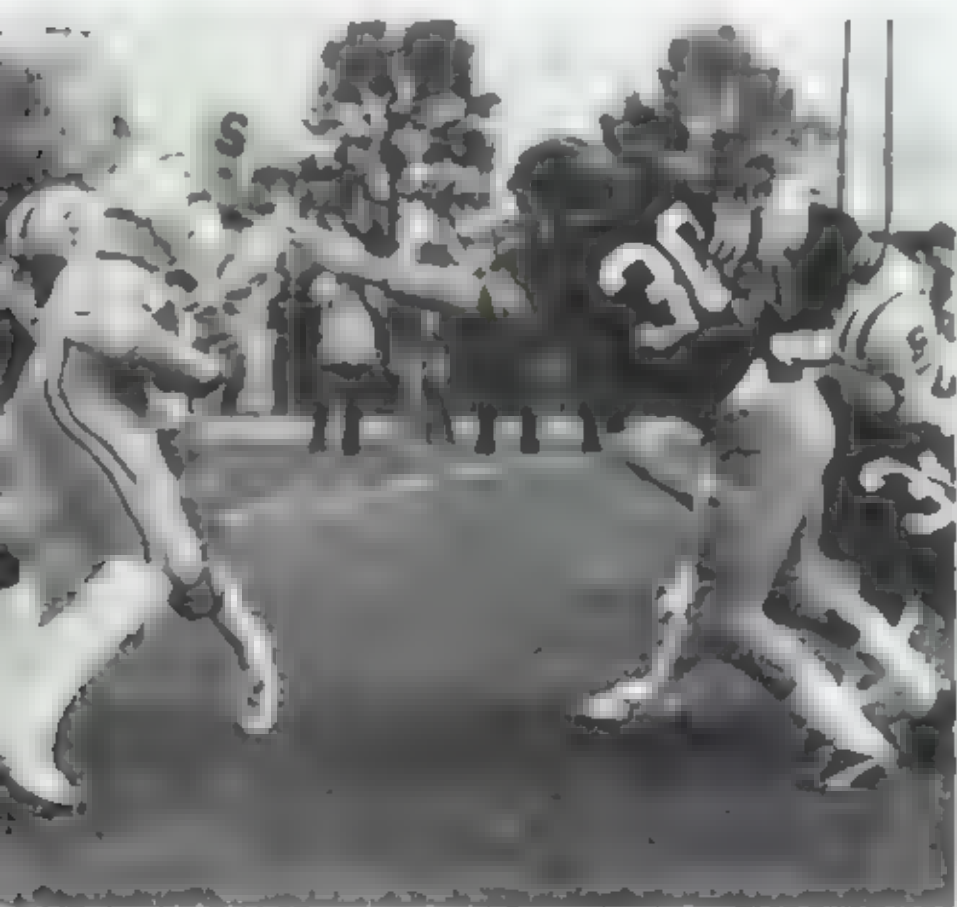

Foley's always tough defense was even better. Their goal line stands and tenacious swarming

defense saved many games

This year's coaching staff should be very proud of themselves. They put together an outstanding football team, a team that should be equally proud of them

Foley on the Attack

A Dedication to . . .

We at Bishop Foley are proud of our athletes. Their talents and sportsmanship represent Foley in a multitude of fields. They are signs that show winning is important but not as important as the growth and experience that sports gives you.

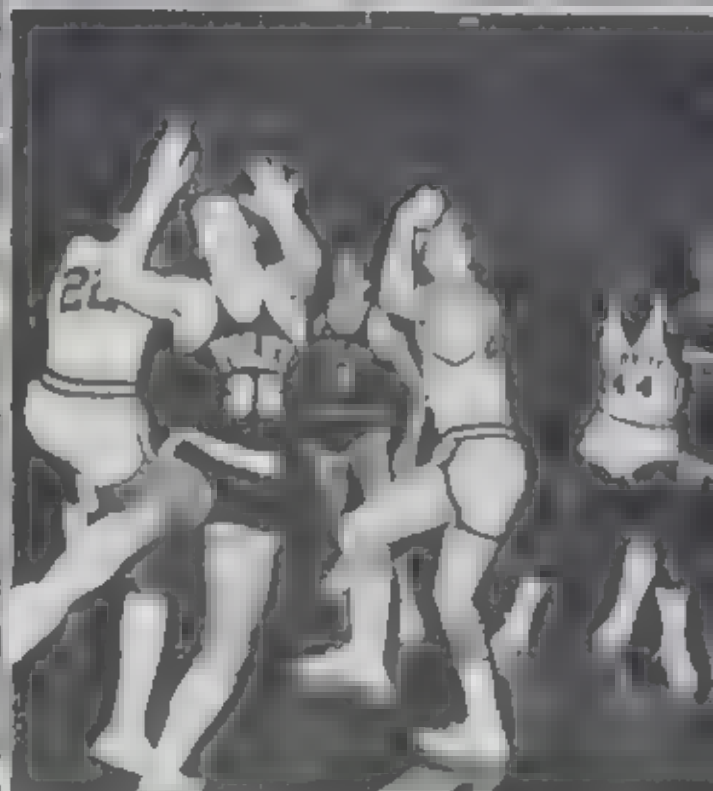

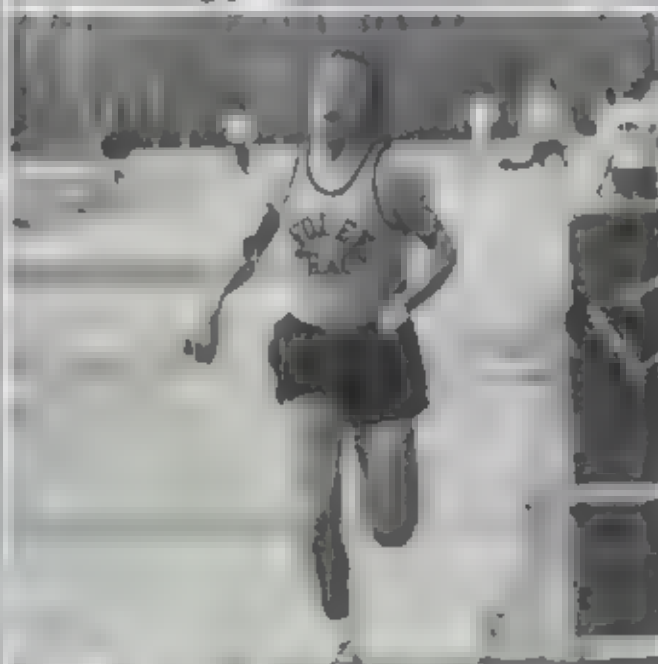

Here at Bishop Foley our athletes compete with a never-give-up attitude and we are proud of this characteristic in them.

It takes a lot of different personalities to make up a team.

With our excellent coaching staff headed by Mr. Patrick Hearn as Athletic Director, our teams are molded into a winning team no matter what their win-loss record is.

We are proud of our athletes and we salute you!

... All Foley Sports

1. The Varsity Golf Team. 2. Father Mike gives a little pep talk to the team. 3. Greg Turner is momentarily distracted. 4. Rick Novak collects his paraphenalia. 5. Whoops — right through the window exclaims Rick Spano. 6. Kelly Roman tensely awaits for the gun to go off. 7. Corky MacArthur encourages her team-mates on. 8. Linda McCoster shows off her diving ability. 9. The girls swim team.

his years Golf team is one of the best in Foley's history. With Coach Mike's tremendous coaching ability, not only did the guys' hard work and dedication pay off, but they won more trophies and medals than any other golf team in this school.

The Varsity team led by Captain Chris Sobczak finished

with an overall record of 9 and 1. Their league record was 7 and 1. The J.V. team led by Captain Rick Novak finished with a record of 5 and 0. We couldn't ask for much better guys, so keep up the great work!

The girls swim team finished pretty well this year for a team that's only been here for two

years now. Their record was 1-6 and they finished 6th in the Catholic league. With the hard work and talent put forth by the girls it made it that much easier for Miss Paul (the coach) who had much to work with. The captains were Kelly Roman and Kay McLogan who encouraged the team on to keep working and striving to better themselves.

The Golf Team Tees Off to a Great Season

1. The girls Cross Country team 2. Captain Wendy Lombardi leads the girls on to a victory. 3. The Foley girls get off to a good start. 4. Tom Boussie keeps up the good work. 5. Mr. Bolz gives a little advice to Yvonne Ziobron. 6. Anne Saliga keeps a strong stride. 7. Ray Sroka keeps up with the runners. 8. "Only three more miles" sighs Tim Condron. 9. Hard-working Mark Guzdial stays in the lead. 10. Theresa Matthews supports Kevin Boussie.

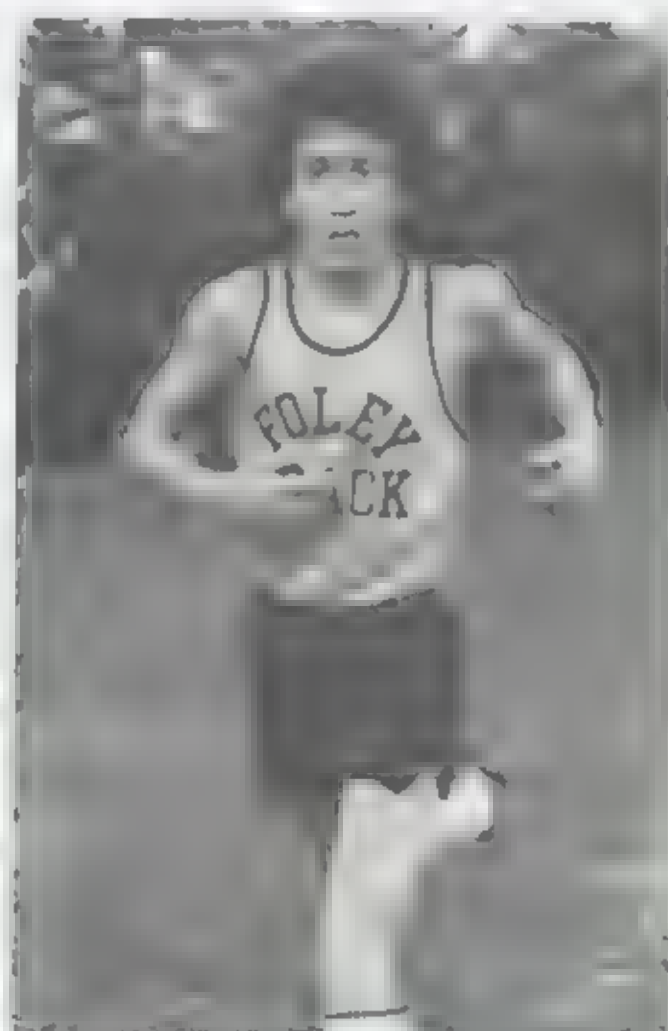

The Cross Country teams just never stop working, do they? The guys team pulled in a perfect record of 5 and 0 and the girls pulled in a close but good record of 5 and 3. Mr. Bolz who is a new staff member this year, obviously knows what he's doing because he really did a nice job in helping these kids improve themselves.

We have four captains — two

for each team and they are Wendy Lombardi, Anne Saliga, Tom Boussie, and Mark Guzdial. All are fine runners. They run together and that's what helps make each individual work harder to better themselves and to better each other. It also makes it a lot more fun

Congratulations teams on a terrific season and much luck for next year too

Cross Country Takes Their Victories in Stride

1. The rah-rahs get into the game. 2. Varsity cheerleaders lead the homecoming parade. 3. J.V. adds to the spirit. 4 "Speedie" Musser smiles for the camera. 5. Kathy and Lynn get the crowd to cheer. 6. Venturettes practice routine. 7 Andrea has a good laugh. 8 Connie VanBuhler does an intricate move. 9 Julie Dery shows precision.

he cheerleaders showed lots of enthusiasm throughout the 8-79 school year. Their dedication to raising school pride and spirit brought students atoley closer together. The squad this year was led by Lark /each

The Venturettes this year showed their dancing talents as they performed at football and basketball halftimes. They also were asked to dance at the silverdome, which for many of them was an experience never to be forgotten

Be True to Your School . . .

John Bert thinking quick. 2 Rick Sutton jumps high to shoot. 3 Gary Misczak looks for an opening. 4 John Bert using his fancy footwork. 5 Dave McAuliffe ready for a lay up. 6 Dave McAuliffe a ming high. 7 Gary Misczak shooting from the air. 8 John Bert dribbles down the court. 9 The 1978 Carls Basketball Team. 10 A jump shot to start the game off. 11 Coach Gary Brandt. 12. Mary McDaniels using a little ballet.

The Boys Varsity Basketball Team ended their season with a 16-12 overall record. Coach Angelo Fiorini and Bishop Foley are very proud of the boys and are looking forward to seeing them just as good next year.

The Girls Varsity Basketball Team ended their season with an outstanding 13-6 overall record. This year the girls really proved that Foley has an outstanding Sports Department and an excellent coaching

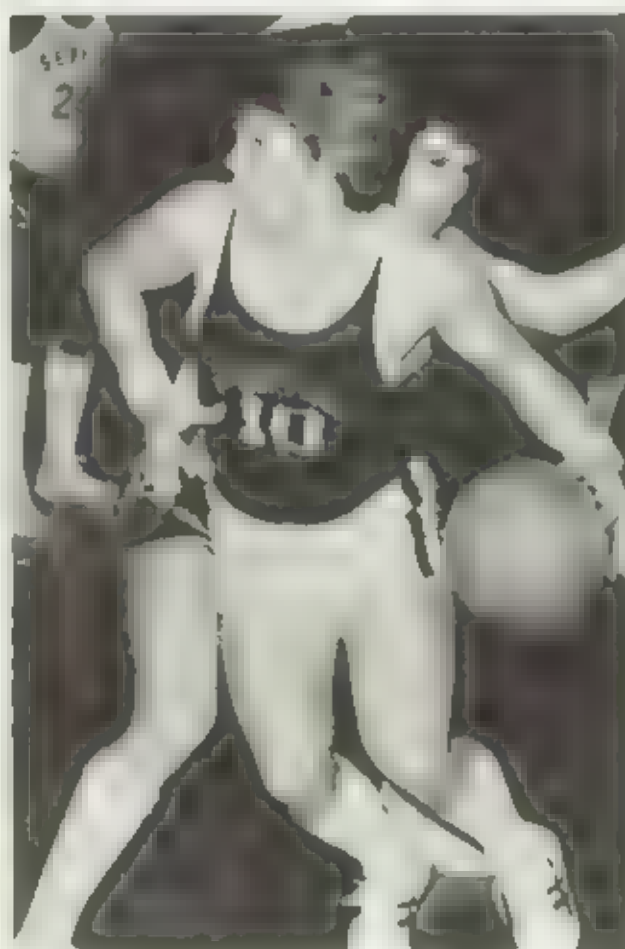

staff. The girls were coached by the superb coaching experience of Coach Gary Brandt.

Best of luck to both the girls and the boys basketball teams next season.

Outstanding Year for Varsity Basketball!

1 Ed Bennett looks for an opening. 2 Mike Novak goes up for a shot. 3 Mike Novak fights for the ball. 4 Brian Johnson on the defense. 5. Matt Joseph dribbles away. 6. Ken Horwath guards the ball. 7. Ed Bennett aims high for the hoop. 8 Tom Murphy keeps tabs on the ball. 9. The 1978 Girls JV Basketball Team 10 Stephanie Saia up for a rebound. 11 Stephanie Saia at it again. 12 Mary Ann Groth puts one up

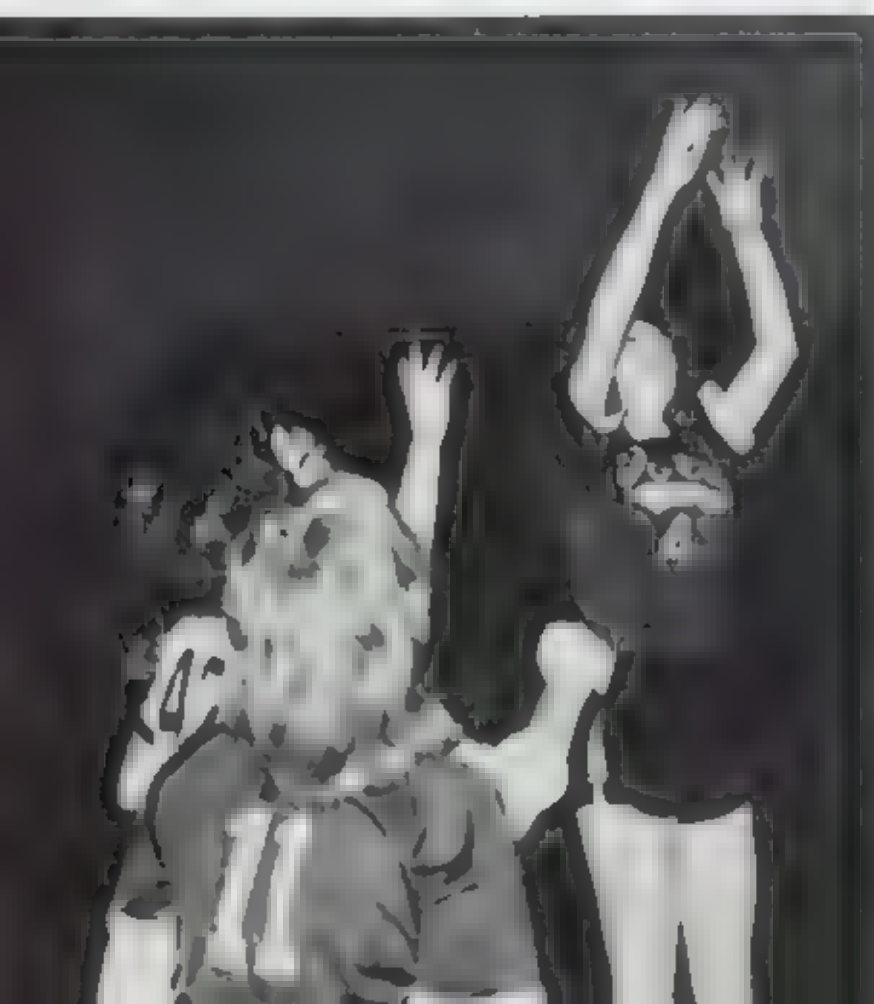

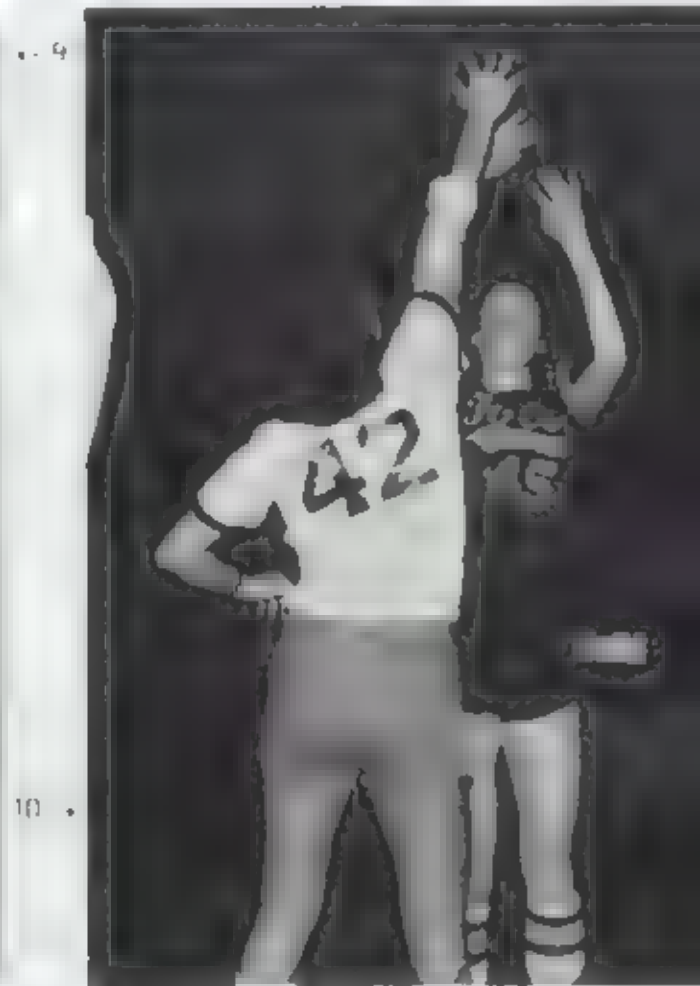

The J.V. Boys Basketball Team played a determined season under the great coaching of Greg Vlahakis despite the unhappy record of 2-17. Spirit kept the team fired up throughout the season. They took each game with a positive

attitude and it showed in their performance. Their final record was not able to show their drive and determination but we at Foley know it was there

The 1978 Girls J.V. Basketball

Team closed out their season with a final record of 9-6. Under the coaching of Sr. Peggy they showed potential. Foley is looking forward to a superb Varsity squad from these girls next year

J.V. Basketball Ends With Pleasing Season

1. Dan Mulligan watches for a rebound. 2. Tony Patritto aims to shoot. 3. Rick Winarski jumps high for control of the ball 4. Kevin Zeiter shoots for the hoop. 5. Dan Mulligan looking to pass the ball. 6. Kevin Zeiter tries once again. 7. Jim Berti concentrates on the hoop. 8. "Give me that ball" 9. Dan Muligan takes a free shot. 10. The 1978 Girls Freshman Basketball Team. 11. Stacy Fletcher ready to put one in. 12. Kelly Maloney hoping for two points on this one. 13. Donna Montano takes a shot. 14. Margret Sullivan in a lap

In spite of a 2-13 final record the Freshman Boys Basketball Team showed great enthusiasm in this past season. Though many of their games were only lost by a small margin the Team acted like real champions

Coach Jim Couto should be

very proud of his boys because here at Foley we sure are

For the 1978 season, the Girls Freshman Basketball team, under the direction of Nancy Wilkie, posted a record of 2 wins and 15 losses. Though the record did not seem impres-

sive, the team demonstrated all the qualities of a true contender; determination, drive, team spirit and togetherness

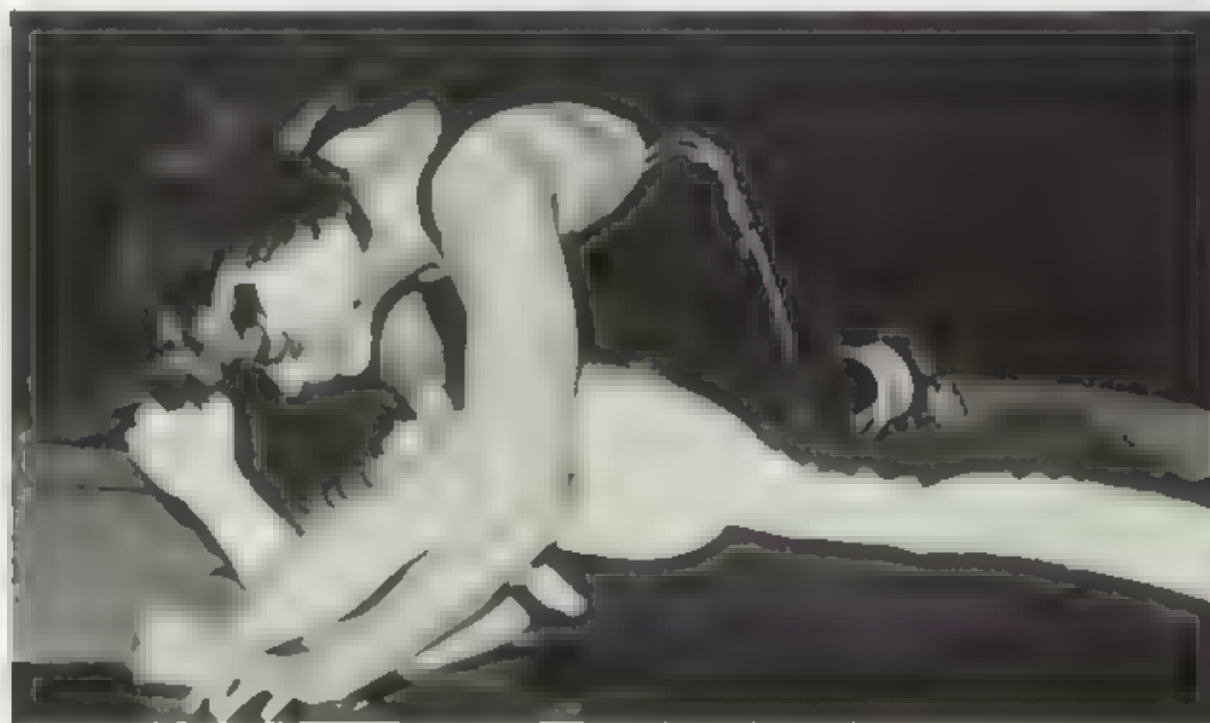

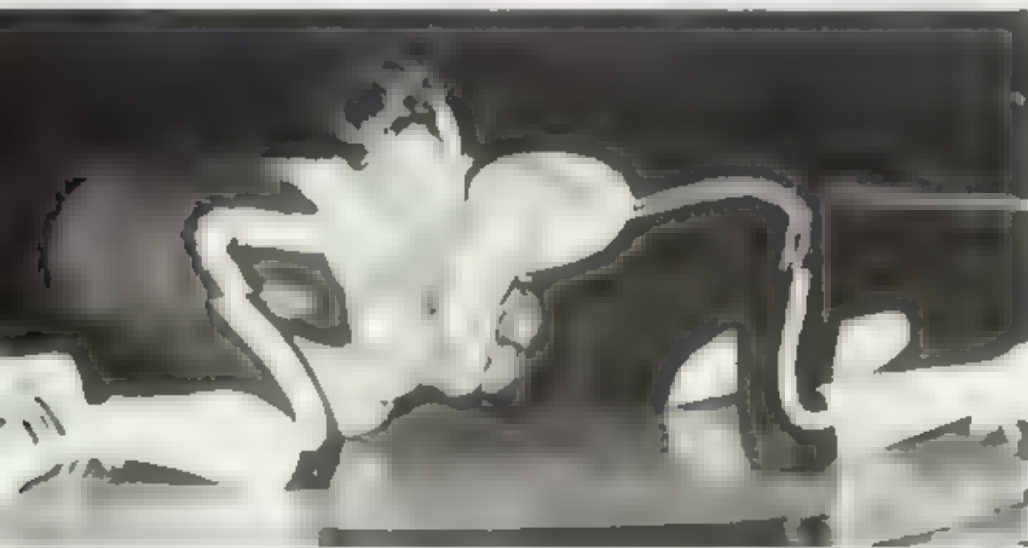

With a year of experience behind it, next year's team promises to be much more successful.

The Upcoming Freshman Basketball Teams

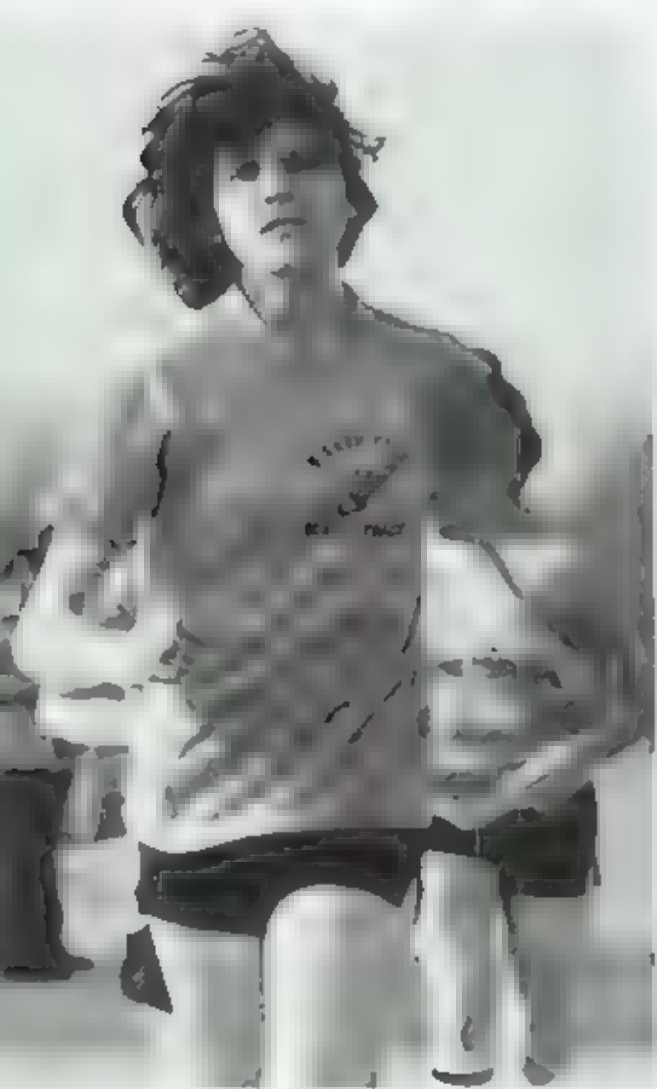

Foley Grapplers Gain Experience

Foley's Wrestling team experienced a lot of exciting matches during the '79 season. This year the Grapplers were led by co-captains Mike Bean and John Szymula. They were coached by Mr. Ron Russell. Many of the members will be returning next year to provide an even more enthusiastic and prosperous season.

1. The masked marvel, alias Greg Burcz, gets his man. 2. John Szymula takes a break to smile for the camera. 3. Matt Godfrey wonders what to do next. 4. Mike Lewis helps his opponent stand on his head. 5. Jerry Czajkowski checks to see if his opponent is ready to give up. 6. Jim Guerin struggles to win his match

V. and Varsity volleyball teams had a great season this year. The teams were led by the coaching of Mr. Gumble, Mr. Peggy and Ms. Ramaut. Both teams won their league titles. Varsity finished 2nd in their district and 2nd in the entire Catholic League. The team will

be losing 4 dedicated seniors, but will still have the power of the returning Sophomores and Juniors who will lead the team next year.

The bowling team is starting to become a large part of Foley's athletic program. The team is

coached by Ms. Jan Danosky. The girls worked hard all season and it shows through the way they play their games. Determination and concentration are key factors in bowling and each team member gave their all in making this season a successful one

he girls varsity softball team had its best season ever. The girls tore up the league with an outstanding 20-5 record under the brilliant leadership of Miss Lamaut. The team won the Catholic league title over Bishop Borgess, to make it a first for Bishop Foley. The title game highlighted a record-

breaking season and gained great experience for the players that will be back next year

For the boys it was the year of the rain-outs. The boys suffered through one of the most postponed seasons in a long time

The Varsity team posted below

average 11-12 season time

The baseball program, which has been quite superior in the past, just never got any consistency from key positions. The team though did show hope for the upcoming season with several players coming up.

Guys Post Mediocre Record, Girls Pick Up Slack

1. Chris Malolepsy leads on the enthusiastic J.V. team. 2. Cathy Condron is ready for anything. 3. The J.V. team watch the game and score very closely. 4. J.V. team picture. 5. Annette Wasek shows the concentration it takes. 6. Freshman team picture. 7. Bill Delaney fires a fastball. 8. J.V. team picture. 9. Tom Murphy awaits a smash down the third base line. 11. Freshman team picture.

the girls softball program is looking better and better. The J.V. under the excellent coaching of Sister Peggy Galloway and freshman coach Miss Belau posted respectable records and showed great preparation for their upcoming years on varsity. The Freshman team showed good promise in

their tough league with a 5-5 record and the J.V. had their best season ever taking first place in their league with an 11-1 record. The girls softball program should be on top for quite a while

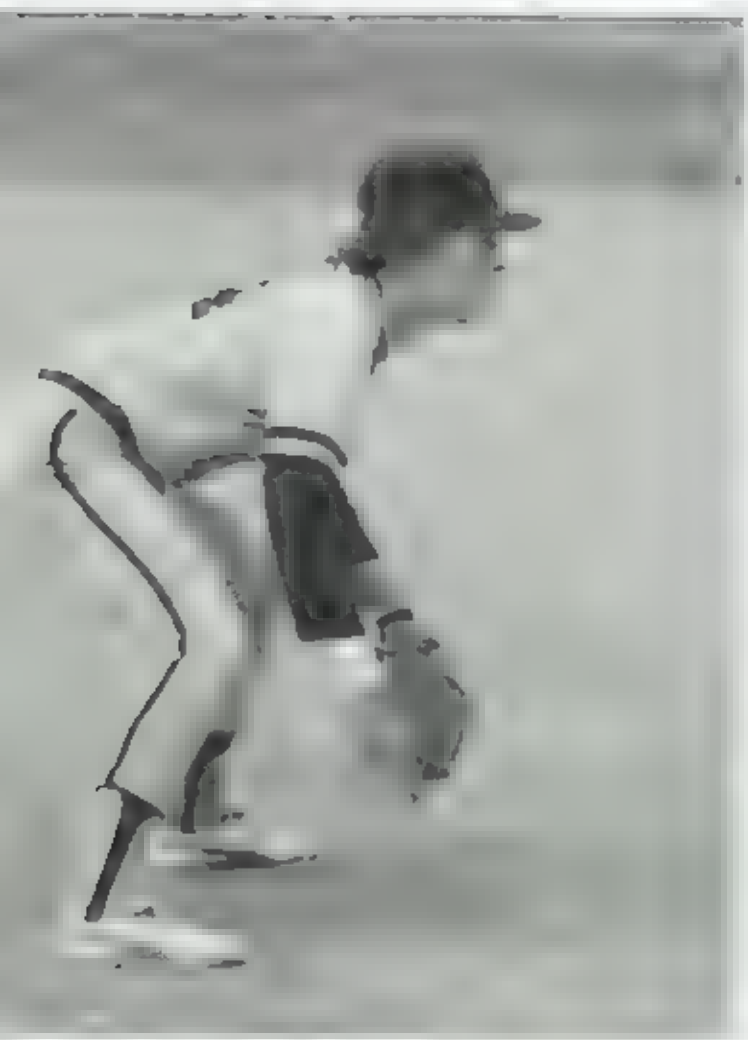

The Boys J.V. and Freshman

Teams showed tremendous support and enthusiasm along with some impressive baseball. The J.V. under the coaching of Mr. Vhalikis and the Freshmen under the coaching of Mr. Joseph. The two teams played consistently and made the baseball program very hopeful

freshman's first year at high school is one that includes many new experiences which have a great influence on his or her life. Meeting new friends and taking part in such activities as Homecoming, dances, clubs, and sports make the year

an exciting and memorable one. Being the newest members of the Foley family, the freshmen learn that high school life here is a whole new world for them

Before they realize it the year has suddenly ended. It may not have always been a bed of roses, but they must admit that there were a lot of good times shared and a lot of good memories gathered.

The sophomore class involved in Biology and lab work learn about many things, while science is teaching them knowledge. The Religion department teaches them service. In the Religion-out program, the sophomores go out to different

areas such as nursing homes and schools to tutor and to work with the handicapped and mentally retarded.

The sophomores are a unique group of students. They are no longer bewildered freshmen,

but they have not acquired the experience of a senior or even a junior. They have come a long ways since their high school career started and have further to go. Good luck, sophomore class, in traveling down the road

CLASS 80

After two years of being
 pushed around, we have finally
 become upperclassmen. Junior
 year includes receiving class
 rings, induction in the N.H.S.,
 and best of all privileges. Like
 every other class, we've had
 our good and bad times, but
 through it all, we have pulled
 through with smiles on our

faces and a deeper under-
 standing of each other. We
 take on a more responsible
 behavior as we pave the way
 for our senior year. We help
 the poor and needy. By doing
 this we also receive a great gift
 — the gift of love, love of each
 other and love of ourselves.
 We strive for a united class and

hope that by our actions and
 attitudes towards each other
 we will become a whole class.
 We have grown a lot since our
 first day at Foley, and we real-
 ize that we have not yet fin-
 ished, but we know that we
 will get by with a little help
 from our friends.

OH VERY

YOUNG

70

Where has all the time gone is a familiar question asked by all Seniors. It seems like just yesterday we were inexperienced Freshmen, lost and confused, looking for an old familiar face on our first day of high school. Now we look back over the years and remember all the

good times and the bad, the laughter and the tears, and the many friends and memories we have gathered which we will cherish forever.

As graduation draws nearer and nearer, the Class of 1979 realizes that we have all

changed in some way and have learned a lot about life while here at Foley. We have all made our last year here the best of all and are now looking forward to a future filled with many new challenges and dreams

We came together as strangers,
a little unsure
of what we wanted
and what we had to give.

One by one
strange faces became
friendly ones
and smiles were meant for us.
The days passed quickly.
Friendship began to bloom
and love gained a new meaning.

As we came to know a little
of each other,
we grew to know more of
who we are
and what we can be.

It's hard for me to take my leave
and accept that this has come
to an end.
But I take with me a new strength
and I leave behind a part of me
with each of you.

Some of the Best Reasons for Belonging to the Credit Union

Are the Little Ones

Let's face it, raising a family is expensive. As your family's financial center, the credit union is a lifetime friend you can count on to help make things a little easier. Together, we can build the savings every family should have and support you with all the low-cost credit you're likely to need. And don't forget the important insurance benefits we can provide for you as well as every member of your family. The little ones. They're mighty big reasons for using your family credit union.

Robin - 2 years on
 Well, and were still
 the bus and were still
 alive! Miracle huh??
 This year has been great.
 Hope your yr. year is as
 good as mine was. Be
 good over the summer.
 Take care,
 Love
 Jill

Hope you have a great
 summer and hope to see
 you next year. Love
 you both!
 Hope to see you on
 the bus and hope to
 see you both on the
 bus and hope to see
 you both on the bus.

Robin, you know
 you for two
 years and you really added
 to the fun that I have
 had here at Foley. Hope you
 in some of my classes next
 year. Good luck in whatever
 you do. Have a great summer
 Keep in touch.
